

Chartered Governance
Institute UK & Ireland

What's happening at the 2025 CGIUKI Annual Conference?

Tue 1 July - Wed 2 July | Novotel London West

An essential event for governance professionals and businesses navigating risk, regulation, and change:

- 30+ expert speakers across two days
- Latest insights into AI, ESG, cyber risk, and board behaviour
- Networking with hundreds of governance professionals and business owners
- Practical takeaways you can implement immediately

Day 1 | Tuesday 1 July

Highlights

**Keynote Speaker – Bronwen Maddox, Chatham House:
Does Growth Trump Governance?**

Director & CEO of think tank Chatham House, Bronwen Maddox, leads the conversation on how businesses are balancing risk and reward in a volatile global climate.

Corporate Governance Reform: What's Coming?

Get the inside track from Peter Swabey FCG, CGIUKI's Policy & Research Director and the regulators.

Governance Risk & Cyber Resilience

Learn how to futureproof your organisation against cyber attacks, operational and geopolitical risks.

Breakout Sessions

Choose from dynamic workshops such as:

- Companies House Reforms & the Economic Crime Act
- Optimising Board Behavioural Dynamics (University of Exeter & Henley Business School)
- AI in Business – From Concept to Reality
- Crafting Company Values to Shape Culture

Closing Keynote: Positive Habits

An energising session with **The Morning Game Changer** – **Kat Thorne** – to boost productivity and performance.

Round off day 1 by raising a glass with fellow delegates at our relaxed drinks reception from 5pm.

Day 2 | Wednesday 2 July

Highlights

AI & Regulation – Shaping The Future

Understand the legal, ethical and strategic challenges of AI governance.

Integrating Culture After Crisis

Learn how to build trust and purpose following reputational risk or internal disruption.

Doing Good While Doing Business: ESG in 2025

Hear how to overcome greenwashing, reporting challenges and ESG fatigue.

Spaces are limited
