

CGIUKI Exam Timetable

Information for International Students

The information in the document applies to international students only. For the purpose of this, international students are defined as anyone who does not live in the United Kingdom.

UK Time

All times published in the exam timetable are UK Time.

- For the June exam session, UK Time is Greenwich Mean Time plus one hour (British Summer Time).
- For the November exam session, UK Time is Greenwich Mean Time.

For students who live in the following countries, **the exam start time for all exams will be 14:00 (UK time).**

- Cayman Islands
- Jamaica
- British Virgin Islands
- Barbados
- Trinidad and Tobago
- Bermuda

For all other students, the **exam will start at the time (UK time) published in the exam timetable.** CGIUKI recognises that it has students from all over the world taking its exams and that time zone differences, particularly for students in the Far East, may present challenges.

If you wish to discuss the start time of your exam, then please contact examinations@cgi.org.uk
